(the seat of Polish Olympic Committee)

Polski
Komitet
Olimpijski

Our students (Patrycja Juszka, Łukasz Łojewski, Maria Kruk, Weronika Małecka, Beata Sagan, Natalia Kamińska, Agata Warda, Mateusz Kwiecień, Kamila Goś) and teachers (Paweł Ciemięga and Grzegorz Bobak) visited the seat of Polish Olympic Committee in Warsaw. The programme of the visit was quite busy. We took part in the following activities:

Exhibition *PyeongChang – the host city of 2018 Winter Olympics*

Educational session: *Say NO to doping* – it was devoted not only to the issues of using drugs in sport but also to the dangers of addictions in a typical teenager's life

Educational session: *Korea Republic – the host of Winter Olympics* – the story about the country and its inhabitants as well as the history of the official olympic mascots (of olympic and paralympic games)

Knowledge e-quiz about Korea Republic – the winners were awarded some prizes connected with the approaching winter olympics. Our project team was also given some valuable publications devoted to the history and the idea of olympism

Meeting Mrs Iwona Marcinkiewicz. She won a bronze medal in archery in 1996 Olympic Games in Atlanta (USA)

Museum of Sport and Tourism – a place where we can follow the history of olympism, olympic games as well as history of Polish sport, our all achievements (in Olympic Games, world and European championships etc. – the equipment used by our champions and, first of all, original olympic medals),

Obligatory photos by the official “walls” (where Polish sportsmen are traditionally photographed) – just being sport stars for a moment....
